From the Principal

Well done Linville! We have made it to the end of Term 3, most of us have come through without too much illness and we are all looking forward to the holidays next week!

New Teacher

The search for a new teacher for the Kangaroos class is continuing. I hope to have found a teacher before the end of the term. A note will be sent home as soon as we have secured someone. Thank you for your patience.

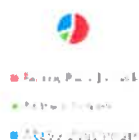

Illness and absences

A big thank you to everyone who has let the school know when your child is away from school with illness. There is a lot of sickness around at the moment, some that is having a big impact on local schools. Thank you to everyone at Linville who are keeping your children away from school when they are not well – this makes a huge difference for everyone. If your child has had vomiting or diarrhoea the latest guideline from the health department is that they stay away from school for a full 48 hours after their last incidence.

Reading and Spelling Results

Well done Linville! Over the last month we have been completing spelling and reading assessments to measure everyone's improvement in both reading and spelling. Across the entire school everyone has made improvements and are continuing to do so – that is a tremendous effort! The following pie charts show our students improvements in spelling each term, the great news is the number of students above the spelling benchmark is increasing each term and the number below benchmark is getting smaller. Well done students – this is evidence of your effort and your hard work!

We have a bit of work to do in Term 4 to reach our target!

Here's looking towards a healthier Term 4!

Technology Challenge

The Emu's class had a successful day at the Technology challenge last week. Most of our bridges performed well and if I had to make a judgment I think collectively Linville had the best designed bridges presented on the day (I might be a little biased though). A special mention to Katy, Rebecca and Michelle who won the best team work trophy (on display in the Emus class right now).

Prep Enrolment for 2018

Enrolments are being taken for children who will be in Prep Year in 2018. If your child turns 5 years between 1st July 2017 and 30th June 2018, they are eligible to enrol in Prep Year in 2018. Enrolment forms are available from the office. If you, or anyone you know, would like an enrolment form, please contact the school.

National Disability Insurance Scheme Information session

The NDIS information session planned for this afternoon has being postponed. A new date will be proposed in Term 4.

School Holidays

Have a great two weeks everyone, stay safe and we look forward to seeing everyone in Term 4 for the final term of 2017!

Student absences

Absence notification process

Please remember to call the school on 5424 7201 or email at admin@linvilless.eq.edu.au early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly.

BPOINT is our preferred method of payment as it saves time in following up payments.

Please try BPOINT
