OUR SCHOOL IMPROVEMENT PRIORITY FOR 2024 – READING – senior students are also prioritising WRITING which builds on their reading ability.

EVERY DAY COUNTS – OUR 2024 Goal is 95% or better attendance
Our current attendance is 92.4% attendance

Please remember - **Every day counts!** Not only do our students get to experience different activities but they have learning experiences planned for them every day. If students are away, we cannot offer the in-depth teaching we do at the beginning of each lesson. It is at these times we introduce new concepts and revise the ones we have already taught. We will always do our best to ensure every student is learning from where they are in their knowledge. We need to ensure all parents have their child or children at school so we can do this teaching for their learning.

Attendance as at this week is 92.4%. Thank you for keeping your child or children home if they are ill with something that can be given to others. We really need to have contact made with the school if your child or children will be absent on any given day. A reminder - it is the school's duty of care to ensure we know where our students are at all times during school hours and on school days. This is why you will hear from us if we haven't been **advised of absences by 9:00 a.m.** It is very important you make contact with the school. The best way is to phone the school before 9 a.m. and talk to someone, as we do not always get messages that may be left. You can also send a message to my phone. I also need to know reasons for absences as I need to enter a code next to absences of students.

DAY FOR DANIEL - This coming Friday, 25th October is the Day for Daniel Day. If possible, we ask that all students **wear something red to school** for this day. We will be highlighting stranger danger with the students and about keeping themselves safe as well as trusting their gut feelings and what to do.

WORLD TEACHER'S DAY - This day is also on Friday. I thank all teachers everywhere for the commitment they have to teaching our students. You are your child's first teacher and it works if there is a good home/school relationship. We love to see you value what we do here by your support of us at home. If children see their parent values education there is a big possibility,

they will value it too. I particularly thank all teachers who come into the school and work so well with our students. They making teaching and learning fun and have a real connection with all students who walk through our gates.

ART INCURSION - Urban Utilities are once again sponsoring an artist to come to our school on either the 4th or 5th of November to undertake a workshop with our students. Ambrose Killian has worked so well with our students in the past. He delivers his message through water stories artwork and the students gain so much information about indigenous culture in this way. I am excited to have him back soon.

HARLEY DAVIDSON GROUP FUNDRAISER - Miss Liz has organised a fundraiser at the school on Sunday 3rd November. There will be a note coming home soon from Miss Liz explaining more about this.

QPARENTS FORM - If you have not already signed up for QParents, please consider doing so. You can control everything on your phone, give consent for activities etcetera. It is a simple procedure to get started so if you need assistance please come and see us and we can definitely help. This will help you know what is happening straight away and not have forms that need to be sent home lost in your child's bag.

2024 YEARS 3-6 CAMP - The Years 3 – 6 students who went on camp had a great time. There were so many activities and I would love to put all our photos in this newsletter but it would be impossible to do so. Camp Somerset was an amazing place, very calming with so much to do. The accommodation was very comfortable, the food was great and the people running it were so friendly, helpful and understanding. I hope your student/s were as exhausted as I was when they got back for the weekend. I have to give a huge, big shoutout to Phil Herron who came with me as a parent. His help was extremely welcomed and he just got along with the students so well. Thank you, Phil. Also thank you for the great photos, I wish my phone could have received them better than it did. We will get the photos onto usb's for everyone who went.

Student absences – Please remember to call or email the school if your child is going to be absent from school. The School contacts are: Phone – 5424 7201 Email – admin@linvllless.eq.edu.au Mobile phone – 0436 620 568

BPOINT is our preferred method of payment. Access BPOINT at www.bpoint.com.au/payments/dete

SCHOOL PHOTOS - We will be organising school photos for 2024 soon. As has happened in the past, a parent will be taking the photos for us and we will be giving them out on awards night. I will let you know when the photo day will be, when the date is worked out. School photographers will not come to our school as it is not a viable option for them to cover costs.

FRUIT BREAK - Thank you parents for supplying fruit for the students to have before starting class. As we tell them, it is to feed their brain and body good food so they can get maximum learning happening in the first session of school. We also need for them to have a healthy lunch for break one and break two. We ask that 'treats' be kept to a minimum. We encourage our students to eat healthy first then have one 'treat', we do this for both breaks.

P&C NEWS

P&C MEETING - There was a meeting held after parade last Friday. It is so important that everybody attends these meetings so they can have their say in what is happening at school. Items discussed were: Awards night 2024; Graduation 2024; the P&C fridge at school; P&C support for 2025. Parents are also asked to be specific when making payments to the P&C via transfer. Names of student and what is being paid for is helpful to ensure this is recorded correctly. Also, if there are two payments being made at once, please nominate how much is for each payment. For example, if paying for 4 tuckshops and breakfast club at the same time, please put breakfast club $8, Rachel can then work out what the remaining amount will be for tuckshop.

WEDNESDAY BREAKFASTS AND TUCKSHOP - Wednesday breakfasts are still being offered each week. Thank you, Di, Lisa and staff for being here on these days and getting the breakfasts ready. As newsletters have changed from odd weeks to even weeks, this means the newsletter will be sent out the same week as tuckshop. Week 4 tuckshop was the chicken delights and lasagne. The next tuckshop will be in week 6 and will be the normal meal deal of chicken delights with the other meal being shepherd's pie.

CONTAINERS FOR CHANGE -. We really appreciate everyone who is donating their containers to us.

Kind Regards
Jane

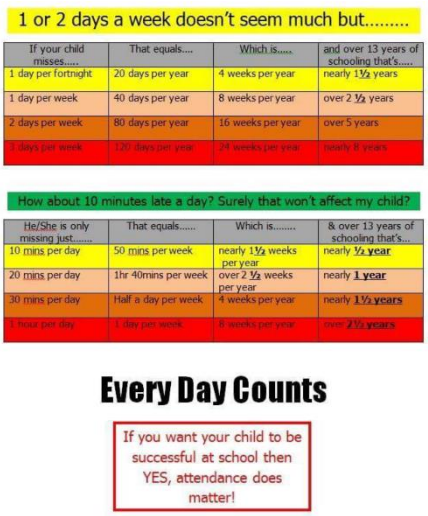
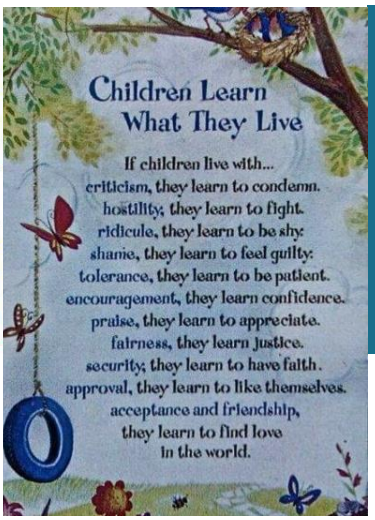
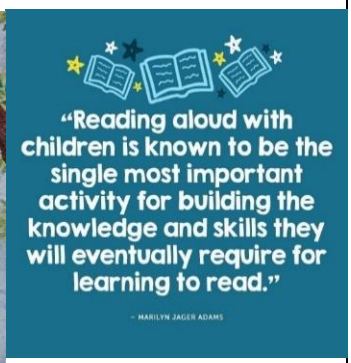
Please remember, reading is a priority to help children learn







School Contact - Please contact the school on 54247201 to ensure any messages you need to get across are taken by someone. Leaving a message on the answering machine does not guarantee we will get to hear it before the end of the day.

Transferring Money - If you are transferring money into the P & C bank account, it is really important that a description is given for what the money is payment for. For example, if you are transferring money for breakfasts, please note 'breakfast' and students' names. If it is for tuckshop then note 'tuckshop' and students' names. This helps those delivering these services to know who has been paid for and who has not. **Please make sure the funds go to the P&C and not to the school which has a separate bank account.**
