OUR SCHOOL IMPROVEMENT PRIORITY FOR 2024 – WRITING which goes hand in hand and builds on our previous priority of READING.

EVERY DAY COUNTS – OUR 2024 Goal is 95% or better attendance
Our current attendance is 94.5% attendance

This term is proving to be a very busy one indeed as you will see by this newsletter.

Attendance as at this week is 94.5% which is less than the last newsletter. I understand there have been a few bugs hanging around and I thank parents for responding quickly when we phone home to let you know your child is not well. As usual, if your child or children are not well at home, please phone the school on the morning of the absence and via our landline to advise you will be keeping them at home to recover from illnesses. It is all the more important to do this as we are coming into the flu season. If you are unsure whether they should come to school or not, let us know and we can discuss it over the phone.

Reminder : Monday 6th of May is May Day public holiday. There is NO SCHOOL!!!

Reminder: Tuesday 4th June 3:45pm – 6.30pmToogoolawah State High School Open Day and Year 7 Transition Session.

Parents should attend the Toogoolawah State High School, Open Day and Year 7 Transition Evening to secure the 2025 enrolment. Information will be provided to students enrolling in 2025 and enrolment pack will be distributed to all families. If you need anymore information please contact Linville SS office 0754247201 or TSHS office 075423444.

Student absences – Please remember to call or email the school if your child is going to be absent from school. The School contacts are: Phone – 5424 7201 Email – admin@linvllless.eq.edu.au Mobile phone – 0436 620 568

CROSS COUNTRY: Angelo ran his hardest at cross country on the 19th April. Well done for making it through the course.

ANZAC DAY: Thank you all so very much for making the effort and getting your child/ren to the ANZAC Day march and commemoration. Thank you to those who donated the food for the morning tea afterwards and to those who were there on the day setting up and packing up as well as toasting the sandwiches etc. I am so very proud of our students, they represented our school so very well and I received so many compliments on their presence and behaviour. It is so important we demonstrate to our students the significance of the sacrifices made and still being made by our armed forces.

INSTRUMENTAL MUSIC– This coming Friday, 3rd May, Mr Smith has organised to have a showcase of our band on parade. He and the students are super excited to show off their talents. He asked that we put the following into this newsletter:

Our band has been preparing some songs and we think one is ready to perform for our school. On Praise Parade this Friday we will be performing for the first time ever (no-one in the whole world has ever performed this song yet) our new song called "Boogie Dance". Our band is certainly rocking out with Angelo, our new Bass player and our super powerful Trombones. Be sure to check out the rocking melody and there is also some audience participation so get ready to yell out some words. Don't worry, we'll tell you what words to say. Our 2023 band had some major mojo. Our 2024 band is rocking to the max! – Adam Smith ☺

He is also organising for the cluster band to showcase their talents at the Toogoolawah Show on Saturday 8th June. There will be a letter for expression of interest going home to parents soon, Years 4 – 6 instrumental music students, and then the consent forms will be sent home. He is asking that parents accompany their children to this showcase.

MOTHER'S DAY – Sunday the 12th May is Mother's Day. We will be having a Mother's Day stall at the school next Wednesday and Thursday should you want your child/ren to purchase anything from there. As it is every year, there will be nothing over $5. We do this for our students so they can get the same experience as those students in larger schools. This is not a fundraising activity rather something we offer to the school community to participate in if they would like to.

WALK TO SCHOOL ACTIVITY – Friday the 10th May is Walk to School Day and is a part of the National Road Safety Week. Officer Brayden has locked us in to take us through the road safety rules. We will be leaving Linville SS and walking to the Linville Store then we will be doing activities on how to cross the road safely etc, and will then walk back to school. The exact time we will be confirmed, at this stage, we are aiming to leave Linville SS when the bus arrives at 8:30 a.m. and when we get back to school, we will be having our usual fruit break before we go back into class. There will be an activity consent form coming home soon for this.

Gecko Wildlife – Martin from Gecko Wildlife is coming in to the school on Wednesday the 15th May at 11:45 a.m. He will be bringing in his native animals to show the students and will be having a conversation with them about keeping our environment safe for animals in our community. Martin has been coming in every year and having talks with our students. He was telling me that he enjoys coming here as the students are so enthusiastic and ask many questions. This activity is being paid for by the Somerset Council and we appreciate the generosity of the council in doing so.

NAIDOC 2024 – This year Dr T (our AUSLAN teacher) is organising NAIDOC to be held at Toogoolawah State School (TSS) on Wednesday 19th June. She has been liaising with Lyn from the Somerset Council regarding buses to transport our students to TSS again. Somerset Council has offered to fund the cost of the bus to take our students to Toogoolawah. We will have more about this in the next newsletter.

HEAD LICE: The cooler weather is definitely on its way however please make sure we start the term head lice free. It is possible to keep them out of our school if everyone keeps onto it. A few weeks of constant checking can result in no longer needing to check and treat heads.

P & C News

Wednesday Breakfasts and Tuckshop – Wednesday breakfasts are still being offered each week. Thank you, Di, Lisa and staff for being here on these days and getting the breakfasts ready. The next tuckshop will be in week 4 and will be the normal meal deal of chicken fingers with the other meal being Lasagne. .

Containers for Cash – A run of containers was done a week ago. Please keep the containers coming in.

Kind Regards
Jane

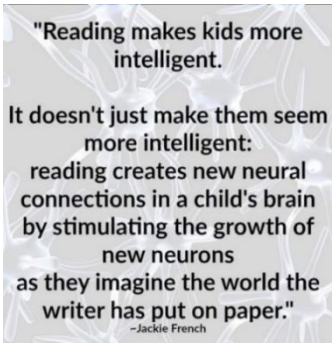
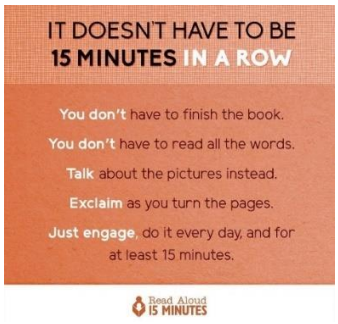
Please remember, reading is a priority to help children learn





This is a quote worth sharing. I know decent is not spelt correctly but the message is a good one 😊.

School Contact – Please contact the school on 54247201 to ensure any messages you need to get across are taken by someone. Leaving a message on the answering machine does not guarantee we will get to hear it before the end of the day.

Transferring Money – If you are transferring money into the P & C bank account, it is really important that a description is given for what the money is payment for. For example, if you are transferring money for breakfasts, please note 'breakfast' and students' names. If it is for tuckshop then note 'tuckshop' and students' names. This helps those delivering these services to know who has been paid for and who has not. **Please make sure the funds are to go to the P&C and not to the school which has a separate bank account to have funds transferred to.**
