Week 11 Term 3

Student of the Week (Kangaroos): Jack

Student of the Week (Emus): Xeus

Classroom Awards: Aidon, Matthew, Christian, Rebecca, Harry

Hello Linville,

Welcome back to school for the last term of 2013! This term always seems to be busier than any other as we prepare for the end of the year and begin to prepare for 2014.

ArtsLink and Science Show excursion

Tomorrow we have our excursion to the ArtsLink Performance. The bus will be leaving at 9 am for this performance. The show we will be viewing is called 'Marcus and the Music Makers'. After the show at Toogoolawah we are back on the bus and heading up to Benarkin SS for a science show by Dr Peter Eastwell. Please ensure that your permission forms have been handed in to the office.

Prep Enrolments for 2014

Enrolment packs for Prep in 2014 will be available from the school office. On Friday 8th November, students who will be starting Prep next year are invited to join our P-3 class for our morning session. Please contact the school to indicate that you and your Prep student are attending this event.

As part of the enrolment process an interview with the Principal needs to be arranged. The Principal needs to see an original birth certificate and the enrolment forms at this meeting.

We look forward to meeting and welcoming our future students starting Prep in 2014!

NAPLAN

We expect to receive the individual student reports sometime this week. As soon as we have them they will be distributed to the students and sent home.

Curriculum, Teaching and Learning Audit

Wednesday 16th October will be a busy day for our school. We will be visited by Mr Michael Hobson who will spend the day speaking with staff and observing teachers and students in the classroom. The CT & L Audit forms a part of our schools future planning and the setting of our goals and targets for improvement. Mr Hobson has asked for an opportunity to meet and talk with any available parents on Wednesday 16th of October at around 9.00 am.

Quadrennial School Review

The week after the Curriculum, Teaching and Learning Audit we will be having a QSR committee meeting. All parents and staff are invited to attend and be a part of this meeting. At this meeting, I will be presenting findings from our schools NAPLAN data, the findings from the auditor and information from surveys. Then we will start to develop together the goals and strategies for moving our school forward over the next four years.

The following table has key dates for meetings for the QSR process, which I have kept to a minimum.

Post- Curriculum, Teaching and Learning Audit meeting	Wednesday 23 rd October, 3.00 pm School Library
Review of Drafted School Plan	Wednesday 6 th November, 3.00 pm School Library
QSR Verification Teleconference with Assistant Regional Director for Linville SS, Mr Russell Simpson	Wednesday 13 th November, 4.30 pm

Junior Secondary

At the next P & C meeting on Wednesday 23rd October, Mr Troy Harris from Toogoolawah State High School will be presenting their plan for Junior Secondary to the P & C. He will be outlining their current preparations and planning as well as asking for feedback from parents who attend the meeting.

Moore Time Capsule

Our school has been invited to take part in the sealing of the new time capsule in Moore on Saturday 26th of October at 10 am. Work from our students will be included in the time capsule, which are to be sealed up again with the intent that they will be opened in 25 years' time. We had a great turn out from our students at the opening ceremony. It would be great to have as many there for the sealing of this time capsule.

Congratulations!!!

To everyone who has not heard the news yet Miss Barry and her partner announced the safe arrival of a little girl yesterday. Little Evie Rae Barry was born at 9.52 am, weighing 6lb 7oz. Congratulations have been extended to Miss Barry on behalf of the Staff, Students and Parents of Linville State School.

We look forward to our students achievements this term with many opportunities for celebration along the way. Remember Linville "Our Best Always"

Mr Mac

P & C News

The next P&C meeting has been re-scheduled to Wednesday the 23rd of October at 9am.

Non-Members are always welcome to come along and listen to the proceedings and if they wish to become a member, can fill the paperwork out at the end of the meeting.

Some of the topics that will be discussed are the graduation dinner, awards night, allocations of funds and upcoming school events.

Also, if anyone is interested or has ideas for running a small fundraiser in term 4, please put your thinking caps on and come along to the meeting. At this stage we have no fundraisers planned for the rest of the year.

General P&C Meetings will be normally (subject to change due to timetables, holidays etc) held on the 3rd Wednesday of the month at 9am.

PRIMARY P TO YEAR 7
