Hello Linville,

I hope you all enjoyed the long weekend for the students yesterday. All of the teaching staff were busy attending first aid training days or moderating assessment tasks with teachers from other local schools. Moderation is a process that ensures that if a student is getting marked at an 'A' in Linville, they would receive the same mark at Harlin, Toogoolawah or Esk.

P & C Meeting tomorrow

Tomorrows P & C meeting has a number of important items on the agenda that are to be presented for discussion. Primarily, is the proposal from Harlin State School for our Year 3-7's next year to join them on a school camp to Canberra, including a one day excursion to the snow for some skiing. Other items of interest include some of the post-audit analysis from last week and new enrolments for 2014.

Everyone - staff and parents, are invited to join with me in the Library tomorrow afternoon for our Quadrennial School Review meeting. In tomorrow's meeting we will be reviewing the previous strategic plan and identifying what was achieved and not achieved. Then we will view data gathered from surveys and from testing. By the end of tomorrow afternoon we hope to be down the path of beginning to outline our plan for the next four years. I look forward to seeing you tomorrow afternoon.

Music Count Us In

Mrs Crosato is co-ordinating our participation in the Music - Count Us In concert again this year. On Thursday 31st October 2013, our students will join with students from Harlin State School at 11:30am in the Moore Hall, for this Australia wide event. A Permission note has been sent home and needs to be returned. Mr Mac will be away on this day attending mandatory training in disability awareness in Kingaroy.

Prep Enrolments for 2014

Enrolment packs for Prep in 2014 are available from the school office. On Friday 8th November, students who will be starting Prep next year are invited to join our P-3 class for our morning session. Please contact the school to indicate that you and your Prep student are attending this event.

As part of the enrolment process an interview with the Principal needs to be arranged. The Principal needs to see an original birth certificate and the enrolment forms at this meeting.

Moore Time Capsule

Our school is to take part in the sealing of the new time capsule in Moore on Saturday 26th of October at 10 am. Work from our students will be included in the time capsule, which is to be sealed up again with the intent that they will be opened in 25 years' time. Please consider joining me on Saturday for this community event. Students are asked to attend wearing their neatest uniform as they represent our school. The SES is putting on a sausage sizzle again and last time they were exceptional!

Curriculum, Teaching and Learning Audit

Mr Michael Hobson had many compliments for our school, students, staff and community last Wednesday. He enjoyed his time with us and made many observations about the good work that is taking place at Linville State School. We are now awaiting the arrival of his summary report, which contains a list of commendations and recommendations for us as a school. This report will be posted on the website and will be made available to all families.

I hope to see as many of you as possible on Saturday, 10 am in Moore for the re-sealing of the time capsule.

Mr Mac
